"Schlindler's List" Designed to Silence Holocaust Revisionists - Gain More Aid For Israel

THE TRUTH AT LAST

NEWS SUPPRESSED BY THE DAILY PRESS

Issue No. 370 Price $1.00

The Truth About *"Schindler's List"*

"Schindler's List" is an all-Jewish produced movie. MCA-Universal Pictures' president Sidney Sheinberg and chairman Thomas Pollack put up the $23 million to make the film. On Dec. 13, three days before it appeared in any theater, the Jewish owned New York Times announced:

"The Film Critics Assn. has selected Spielberg's "Schindler's List" as best picture of the year even though the three hour drama does not open until next Wednesday. Even before it opens, this has emerged as a top contender for numerous Academy Awards nominations."

How is this possible when no one had viewed it ??? The only reason is that the film industry is totally under Jewish control. They want every Gentile to see this propaganda movie because they fear that too many people today have growing doubts about the holocaust. Thus the entire Zionist political agenda is endangered. If they are unable to keep the people brainwashed with this story, programs such as massive foreign aid to Israel and paying Jewish *"refugees"* to come to the U.S. will all be in jeopardy.

Roper Poll Found That 34% Doubt Holocaust Story

A Roper Poll found that 22% of the American people say they believe that, *"it is possible that the holocaust never happened."* Another 12% said that they are not sure. This comes to a third of the population — despite years of intensive holocaust propaganda ! It is important to remember that when WW II ended the victorious Allies claimed that Jews were gassed in all concentration camps. When experts examined the alleged gas chambers in Germany, it was officially announced that not a single Jew was ever gassed in Germany. (Then they changed their story to claim that gassings only occurred at six camps in Poland.) It was very convenient that they were under Soviet control and no investigation was ever permitted. With the collapse of Communism, a number of prominent scientists have searched the camps in Poland for the gas chambers. As of today, not one workable facility has ever been discovered!

Why The Holocaust Story Is So Important

With a growing number of people listening to the views of Revisionists, who question the validity of the holocaust, organized Jewry decided to produce a holocaust extravaganza — "the blockbuster of all holocaust films." *The following are the reasons why the holocaust legend is so all-important to the program of Zionism:*

1) Israel receives $6.3 billion in foreign aid each year which is far more than any other nation. This is because all of us are supposed to feel guilty about the holocaust.

2) Higher numbers of Jews are allowed to immigrate to America than any other group. Most are paid money as *"refugees"* to come here due to the holocaust story.

3) Organized Jewry wages a continuous lobbying effort for the passage of ever more *"anti-hate laws"* which restrict *"Freedom of Speech"* because of the holocaust.

4) The holocaust is the *"glue"* which binds the Jewish race together and helps prevent intermarriage.

Clinton Continues Massive Appointments Of Minorities

JUDICIAL NOMINEES

Ruben Castillo

Lawyer for radical Mexican group.

Blanche Manning

-called "*not qualified*" by Bar Association.

Alan Greiman

-works with Jewish spy group - the ADL.

Jamie Gorelick, her parents were Marxist Russian Jews.

Clinton Is Communising U.S. Through His Appointees

Clinton has not named a single decent White person to a federal judgeship. Only extreme left-wing radicals are being appointed to these lifetime jobs. Their biased rulings can wield life and death power over White people in the days of racial crisis to come.

Clinton has just appointed his first three federal judges in Illinois. None are White Christians. They are:

Ruben Castillo, a former member of the Chicago Gambling Commission and a *"regional lawyer"* for the Marxist *"Mexican-American Legal Defense Fund."* His first name - "Ruben" is not typically Mexican - could he be a Mexican Marrano Jew (of which there are many.)

Blanche Manning, is a former lawyer for the anti-White *"Equal Employment Opportunity Commission."* She can always be depended upon to rule against that which is in the best interest of White people ! Even the 1,400 member Chicago Council of Lawyers voted Manning *"not qualified"* to be a federal judge.

Alan Greiman, is a former state representative from Chicago's lake front ultra-left Jewish condominium community. He is one of the founders of *"Chicago Action for Soviet Jewry."* This is the mob which is actively working to flood America with Marxist Jew *"refugees"* from Russia. The only reason they are leaving is that Communism has fallen from power and the Russian people hold the Jews responsible for the Soviet holocaust of Christians.

Clinton is placing our country in the hands of the most radical left-wing elements he can find.

Our nation is in its greatest danger in history !

Radical Russian Jew Considered As Assistant Attorney General

The New York Times of Feb. 1 states that Clinton is considering the appointment of Jamie Shona Gorelick as Assistant Attorney General under Janet Reno. Gorelick is the daughter of Russian Jew immigrants, who she admits promoted Communism here in the U.S.

The Jew Philip Heymann resigned as Ms. Reno's assistant because he said that she was impossible to get along with. Gorelick is currently the first woman to ever be the Pentagon General Counsel. She is the head of over 7,000 lawyers who work for the Pentagon. (How could the Pentagon possibly use that many lawyers ? It appears that millions could be saved by firing at least 6,900 of them including Mrs. Gorelick !)

Gorelick Called *Obnoxious*

Mrs. Gorelick is said to be high-handed, loud and pushy. This can be

A Desperate Propaganda Film

Schlinder's Widow Says Movie Not True

"Schindler's List" is adapted from a book by Thomas Keneally. He states that it is *"a non-fiction novel."* Thus, while a German businessman named Schindler did exist and some 1,200 Jews worked in his factory until the end of the war, most of the rest is pure fiction. Schindler's widow, Emily, now 87, lives in Argentina. She says: *"Keneally sensationalized what happened. His book is not good. It contains a great deal of invented material."*

"Schindler's List" Instills Guilt Complex In Gentiles

Steven Spielberg is the most successful and wealthiest movie producer in Hollywood history. He made such mega-buck films as "E.T.", "Jaws" and "Jurassic Park," (which was the most successful film ever made, grossing over $1 billion of which Spielberg got $200 million.) Spielberg used his talent in making high-tech films for *"Schindler's List."* The film has been described as *"a three hour long, heart wrenching drama which leaves the audience emotionally numb and sobbing for several moments after it ends — too devastated to speak."* Hollywood has already made over 500 holocaust films. Why is another one necessary ?

Recent studies show that a growing number of people doubt that a holocaust took place in the way it has been described. Leading *"Jewish experts"* on the holocaust today say that the true number of *"victims"* is 3 million and not 6 million. However this admission is never revealed to the general public. Jewish leaders say that the *"6 million"* figure has been used for so long now that to lower it would throw doubt on the whole story. However the Germans are the most meticulous record keepers in the world. Recent figures compiled by the International Red Cross from newly released German records (which were hidden in Soviet archives) have lowered the figure of Jews who died in German occupied Europe down to 350,000. This would make the Jewish loss of life less than any of the other major group involved in World War II. **Remember,** over 250,000 German civilians perished in the fire-storm bombing of Dresden alone in Feb. 1945 when the war was all but over ! A total of 2 million German civilians perished during and after the war.

Film Spreads Anti-German Hate

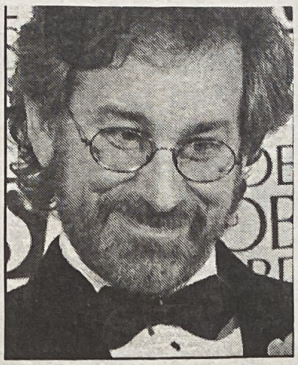
One would think that the movie would make Schindler out to be a hero. This is not the case. They smear Schindler as a war profiteer who exploits his Jewish employees, is a heavy drinker and notorious womanizer. He moves into a mansion seized from rich Jews and takes over a factory they supposedly owned. Schindler was a failed businessman until he was able to exploit the Jews. He wears silk suits and jewelry. He rides around in chauffeur driven luxury cars while Jewish slaves work to make him rich. This movie clearly depicts the depths of Jewish anti-German hatred. Every German is portrayed as corrupt, immoral, cruel and stupid while the Jews are portrayed as noble and heroically suffering. The commandant of the camp, Amon Goeth, is a "German barbarian." He sits in a balcony at the camp and shoots down any Jew who happens by, just for sport. Other Jews are summarily executed for no reason at all.

The Wall Street Journal, (whose editor is the Jew Sidney Sternberg—) on Dec. 16 states: *"Amon Goeth, the psychopathic Nazi, is played brilliantly. The cunning Goeth personalizes the insanity by shooting Jews like they are chickens and he is a cruel farmer."* **(Note:** The use of the name Goeth is no accident. This is a deliberate hateful slander against Johann Goethe, Germany's brilliant literary genius who is honored the world over.) Why is it that film critics missed this vicious slander against the most famous German name in history ? This point alone proves the depth of the viciousness of the all-engulfing hatred of the Jews for the German people !

What Is The Truth About The Camps ?

In truth, any guard who mistreated the Jews was severely punished. In fact, a few were executed. No workable gas chamber has ever been discovered and in fact **not a single Jew was ever gassed !** Jewish prisoners did die of numerous causes in the camps because they became very overcrowded toward the end of the war. They died of starvation, sanitation problems, cold weather, old age and especially from typhus. This same fate could have befallen the 120,000 Japanese-Americans whom Roosevelt herded into concentration camps in the desert. If we were losing the war, does any one think that they would have been fed first? No order for the extermination of Jews has ever been found! The Germans were meticulous record keepers and from Red Cross records and German documents long hidden in Soviet archives we now know that the true figure of Jewish dead is around 350,000!

Why is it that the holocaust promoters never mention Heinrich Himmler's important command to all camp heads of Dec. 28, 1942 ? He ordered that *"The number of deaths in the concentration camps must be reduced at all costs."* The reason being that they were desperately needed as workers due to the severe labor shortage. Adolf Hitler also said that any solution to the Jewish problem must wait until after the war. His plan was to move the Jews east to Poland. Later, after the fall of Russia, they would be resettled east of the Ural Mountains in central Russia. The Jews have produced over 500 holocaust movies. The desperation for ever more holocaust propaganda has a political motive. This is why they accuse anyone who dares to question their holocaust story of being an *"anti-Semite."*



Steven Spielberg is swamped with awards from fellow Jews.

The real Oskar Schindler was kind to Jews but is slandered in this anti-German hate film.

"It was beautiful and terrible. I kept wondering, what would I have done if I was there? What kind of person would I have been? At the end of the movie, I identified with the Jewish people as a whole. I was very proud for what we'd gone through, and sad because the same sort of hate exists today."

Holocaust Questions

Holocaust Facts

The Auschwitz death count has been officially reduced from 4 million to 1.1 million. It has always been stated that of the 6 million Jews who died in the alleged holocaust, some 4 million of them perished at Auschwitz. Thus, if we even accept this figure that is supported by Jewish holocaust experts, it means that 3 million Jews died and not 6 million. **Why is it that this change is not used in the constant stream of holocaust propaganda ?**

Note the article on this page in regards to the announcement by Franz Piper who has been director of the Auschwitz museum Soviet KGB secret police, who first announced to the world that he had discovered the holocaust when they *"liberated"* the camps. The Jew Lazar Kaganovich, second in power next to Stalin, also met with Zionist leaders from Palestine to decide on what figures to announce to the world on the number of Jewish dead. They agreed upon the six million number and now do not know how to tactfully reduce it.

Questions About Real Holocausts

1) Why is there so much talk about the Jewish holocaust and nothing about the holocaust of 7 million Ukrainians killed by Stalin? Why don't we hear anything about the 2 million Cambodians slaughtered by the brutal communist Pol Pot ? What about the 1.5 million Armenians murdered by the Turks after WW I ? Why are there no memorials for the 2 million Germans who were brutally killed by the Communists in East Europe after WW II ?

2) Why is it a criminal offense to either write or speak that you do not believe that there ever was a holocaust in Canada, France, Austria and Germany ?

3) Why is there no discussion of the Allied plan to summarily execute 60,000 Nazis after WW II without any trial ? What about Churchill's orders (given in one of his regular drunken stupors) to hit Germany with an anthrax bomb to kill millions (which his officers refused to carry out.)

4) What about the story of the Jewish woman who was shocked to find her name on the wall honoring victims at the Yad Vashem holocaust memorial in Israel? It was removed but the story was suppressed.

4) The holocaust is supposed to have been planned at the Nazi SS conference in the Wannsee villa in Berlin in Jan. 1942. Why is it that the exact minutes of this conference only speak of *"evacuating"* the Jews to the east and not one word about exterminating them ?

"It's *A Jewish Movie*" Insults Jewish Woman

"Jewish Week" of Feb. 10, carried a letter from an outaged Jewish woman. She wrote:

"I went to the Multiplex Theater in Commack to see Schindler's List. When they announced that the 3:15 showing was sold out, I heard a group of adult women laugh and say: 'Oh, that's that Jewish movie.' I had to stop and remind them that it was not a 'Jewish movie' but a movie about human beings. They were amazed that someone could see through their narrowness and point it out to them."

This is want is called "Jewish Chutzpah" which is defined as *"brazen behavior."* A trait for which the Jews have long been known.

Two More Women Accuse Clinton of Harassment

U.S. Press Suppressed Perdue Story

Clinton partying with Black women.

Clinton Threatened St. Louis Woman

"The Sunday Telegraph" of Jan. 26 carried the sensational story of Sally Perdue who says she was threatened by a high Democratic Party official named Ron Tucker. In a 3 hour meeting, he offered her a federal job if she would keep quiet about her affair with Clinton while he was Governor. She told The Telegraph:

"Tucker said that he was speaking on behalf of Democrats in high places. I was offered a federal job which would set me up for life. But, if I didn't take the offer, then they knew that I went jogging by myself, and he couldn't guarantee what would happen to my pretty little legs."

Backs State Police

Sally Perdue said that she decided to speak out in defense of **Arkansas State Troopers Larry Patterson and Roger Perry.**

"I could not stand what the White House was doing to these officers, dredging up their past, saying they beat their wives. I think this whole business needs to come out in to the open so that the American people can make up their own minds."

Miss Perdue, age 55, says that she first met Clinton while he was Governor and she hosted a popular Little Rock radio talk show. She says that they engaged in sex on about 12 occasions between August and December, 1983. In a mode of operation similar to the accounts related by Patterson and Perry —

"The officers would drive Clinton to my home in official state vehicles. They would drop him off some blocks from my home and he would jog over. Then, after a sexual encounter, he would signal them using my patio light, flicking it on and off. They'd pull up in a wooded area about 30 feet from the house and pick him up."

Clinton's Strange Behavior

Sally Perdue said that Clinton liked to drink beer, dress in women's clothing, wearing high heels, while looking at himself in the mirror. She added:

"When I see him now, president of the U.S., meeting world leaders, I can't believe it. I still have this picture of him, wearing my black nightgown, playing the sax badly; this guy, tiptoeing across the park and getting caught on the fence. How do you expect me to take him seriously?"

Threat Report To FBI

Ms. Perdue has reported Ron Tucker's threat to the FBI. It is a felony to bribe any individual with the promise of a federal job and/or to threaten them. **If such activity can be traced to Clinton — this would constitute an impeachable offense !**

It should also be noted that Denison Diel, a work colleague of Sally Perdue, listened in on the conversation with Ron Tucker and has given the FBI a sworn statement as to its authenticity ! The FBI has stated that they are investigating — AND THE AMERICAN PEOPLE DEMAND THAT THEY REVEAL THEIR FINDINGS AND THAT THE COVERUPS FOR CLINTON END !

(Note: While Sunday Telegraph of London, England carried this story, not a single U.S. paper picked it up except for "THE SPOTLIGHT" of Washington, D.C., and *THE TRUTH AT LAST.*

Arkansas woman says Clinton made sexual advances

A former **Arkansas** state employee told reporters Friday that she spurned an unwanted sexual advance from then-Gov. Bill Clinton in **Little Rock** in 1991. The White House denied that the episode occurred.

Paula Jones

Paula Jones spoke to reporters at a news conference in **Washington** organized by two lawyers and connected to the annual meeting of the Conservative Political Action Committee.

Jones said Clinton sent word through a state trooper in his security detail that he wished to see her alone in a Little Rock hotel where Clinton was attending a convention. Jones said she went to the room, where she fended off an advance from Clinton and left within 15 minutes.

"It's wrong that a woman can be harassed by a figure that high," she said. "It's humiliating what he did to me."

Clinton Trapped Women In His Hotel Room

Clinton Accused By Yet Another Woman

Paula Jones is the second woman to step forward to verify the charges made by **Arkansas** State Troopers, Larry Patterson and Roger Perry. Ms. Jones was an employee of the State of Arkansas at the time. When the police asked her to report to Gov. Clinton's hotel room, she thought it was on state business.

When she entered his room, Clinton wasted no time in propositioning her for sex. Ms Jones had to fend off Clinton for 15 minutes before she was able to get out of his room. Being a state employee, she was afraid to file a complaint over the incident out of fear of losing her job.

Clinton believes that women are nothing more than sex objects to be used for his pleasure. This is all the more reason why Clinton must be IMPEACHED. He is totally unfit to serve as President — Clinton has got to go ! Please join us in distributing this paper to awaken the public about this debauched scoundrel in the White House !

(Note: It is of interest that the feminist, pro-abortion and lesbian organizations are all strong supporters of Clinton. This certainly proves that they do not really have the best interests of women at heart.)

Reno Promotes Gays

Gays In The FBI

Attorney General Janet Reno has ordered the FBI to discard a policy of excluding homosexuals as agents. The FBI's official *"spokesperson"* is the Jew Carl Stern. He said: *"We are committed to ensuring that applicants and employees are judged on the merits of their qualifications."*

San Francisco gay FBI agent Frank Buttino, 48, was fired from the FBI as a *"security risk"* in 1990. He is now expected to be reinstated. Ms. Reno has long been accused of being a lesbian by Miami political leaders. In the future, if you see FBI agents prancing around and wearing makeup, you will understand that this is **Clinton's new FBI.**

New Revelations On Whitewater Scandal

Clinton May Be Forced To Resign

Special Counsel Robert B. Fiske, Jr., is investigating Clinton on three grounds of blatant illegal activity which could result in his Impeachment or Resignation from office. They are:

1) Did Clinton illegally take money from the Madison Savings and Loan and divert it to his political campaign ?

2) Did Clinton illegally use money from Madison S & L to finance his Whitewater development project ?

3) Did Clinton cheat the IRS out of $11,000 in taxes by illegally claiming deductions from Whitewater ?

The evidence thus far shows that Clinton is guilty on all three counts. These do not include his use of aide Buddy Young to offer bribes and threaten Arkansas State Troopers Larry Patterson and Roger Perry. Both such actions could be impeachable offenses. However, because of Clinton's far-left Administration, the liberal media has played all of these charges down and claimed that they are *"not serious."* Let us remember that Richard Nixon was forced out of office for engaging in a *"coverup."* He knew nothing about the Watergate burglary but sought to cover it up later to save his friends. This was a very minor offense compared to the accusations against Clinton which are tantamount to BANK ROBBERY !

Did Clinton Take Money From The S & L?

James McDougal, Clinton's partner in the Whitewater Development, was asked by Clinton to help pay off the $50,000 debt from Clinton's 1984 campaign for Governor. ***The Wall Street Journal*** of Jan. 31 reports that McDougal told 50 Madison employees, directors and large borrowers to make donations to help Clinton. **He promised them that they would be reimbursed by the Madison S & L. This is an illegal use of federally insured deposits because it is in effect diverting bank funds to Clinton !**

H. Don Denton, a vice-president of Madison, gave Clinton $500 and was illegally reimbursed by Madison S & L. A cashiers check for $3,000 bore the name of Ken Peacock who was the son of a Madison director. Peacock denies that he ever made such a donation to Clinton. He was a 24-year-old college student and says he didn't have that kind of cash to give Clinton. Investigators suspect that this money was illegally laundered by McDougal into Clinton's account.

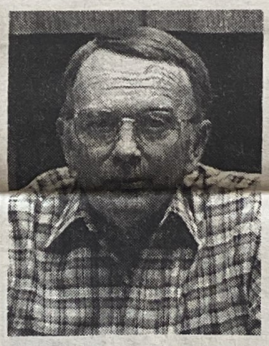
Clinton told McDougal that he was *"strapped for funds"* and asked him to pay Hillary a $2,000 a month retainer as a lawyer for Madison. These payments began in April, 1985 and there is no record of her doing any appreciable work. To repay McDougal, Gov. Clinton moved the Ark. Development Finance Authority from its modern and convenient offices in Little Rock's financial district into Madison's old run-down building. Clinton also rented a service station Madison owned across the street for $7,432 per month which they didn't even need. When Madison finally collapsed, it cost the American taxpayers $60 million. ***Clinton did not earn the nickname "Slick Willie" for nothing!***

Clinton Claimed False Income Deductions

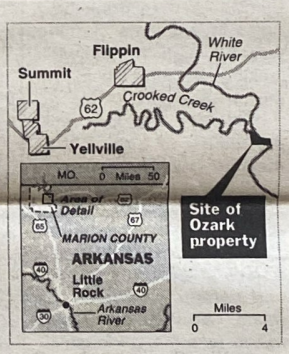
Clinton and McDougal borrowed $203,000 to purchase 230 acres on the White River. Clinton has time and again claimed that he *"lost"* $68,900 on the Whitewater real estate deal. James McDougal, Clinton's partner in the venture, says that Clinton contributed only $13,350 in 1980. Proof that this must be true is the fact that Clinton never deducted the $68,900 as a loss on his taxes. The **Wall Street Journal** had four of the nation's top tax experts study Clinton's returns. One is a CPA, another a former IRS executive, one is a senior tax manager with one of the nation's largest accounting firms along with Prof. Michael Gallagher of George Washington University.

These experts found that Clinton illegally took tax deductions totalling $40,000 in the years 1978, 1979 and 1980. This reduced his taxes by $11,000. Here is how *"Slick Willie"* worked it. He borrowed money from a bank at a low rate of interest and then re-loaned it to Whitewater at a higher rate of interest. Whitewater was supposed to pay Clinton back. He would then take his *"cut"* and give the balance to the bank. However, since Whitewater was going bankrupt, these loans were made Whitewater's sole responsibility. Bill and Hillary sold their half ownership in Whitewater to McDougal and got out fast. Clinton never paid all of the interest he claimed as deductions on his taxes say the experts. Much of it was paid directly by Whitewater to the banks. Naturally the Clintons could not deduct interest payments made by Whitewater. **However, they did it anyway !**

Clinton, wearing his yamulka (as usual), prays in a Washington synagogue with Jack Spitzer, the president of B'nai B'rith International-the secret Jewish businessmen's fraternity. Clinton believes that the powerful Jewish community can save his Presidency through their domination over the news media.



James McDougal, headed Madison, say Clinton has lied about the amount of money he had in Whitewater.



Whitewater is located north of Little Rock near the Missouri state line.

Liberal Media Covers Up For Clinton

Clinton is the most extreme leftist to ever gain control of the Presidency. The Marxists want to keep him in office so that he can establish the radical socialist state they all dream of. Thus they seek to dismiss any and all charges against Clinton as "unimportant." They hold that this does not reflect on his ability to run the country.

"The Atlanta Constitution" of Dec. 23rd carried the following in a lead editorial: *"Those old tales are no more relevant to Clinton's fitness for office now than they were then. . . It remains a fact that this story began in an obscure right-wing publication. It was brought by people suspect of motives. And it has no bearing on Clinton's current duties."*

We beg to disagree. We believe that all of these accusations are true and that Clinton is utterly corrupt and devoid of all moral principles. Clinton MUST BE IMPEACHED FROM OFFICE !

Clinton Caught In New Lies Over How He Dodged The Draft

"The Mensa Bulletin" of Aug. 1993 (the newsletter for high I.Q. people - which has no black members) has added a new twist to how Clinton dodged the draft.

At the height of the Vietnam War, Clinton, age 23, received a draft notice to report to his draft board. Clinton hastily returned a form stating that he was preparing to enroll in the University of Arkansas and join their ROTC program. This automatically gained him a draft deferment. However, Clinton never attended the U. of Ark. and didn't join the ROTC. He later admitted this was nothing more than a ploy to gain time for further draft dodging activities.

When his draft board learned of this evasion two-and-a-half months later, they canceled his deferment. He was mailed a notice to report for his military physical. However, in the meantime, Clinton had obtained a Rhodes Scholarship and flew to England to attend Oxford University. Clinton admits that he engaged in three anti-Vietnam War demonstrations. This included the huge *"March Against Death"* anti-American rally held in London in 1969. The British Communist Party was one of the sponsors.

The "MENSA Bulletin" now reveals that while Clinton received his Rhodes Scholarship money in full, he dropped out of Oxford and never received a degree ! This news has never been published in any daily paper. This is further proof of the cunning dishonesty of Clinton !

After leaving Oxford, Clinton went on a long trip through the Soviet Union and its satellite countries. Outside his Rhodes Scholarship money, he was strapped for funds and could not afford such a trip. This was at the height of the Vietnam War when Americans were not *"touring Russia."* Clinton has refused to say who paid for the trip, who he traveled with or which Communist officials he met. There can be little doubt that he was fraternizing with the enemy.

The declassified Soviet Archives may yet reveal treasonous activities on the part of Clinton both in England and Russia. We believe that they will show that he was collaborating with the enemy against his own country !

New York Post Says Foster's "Suicide" Is Very Suspicious

Clinton's Legal Aide — Was It Suicide or Murder ?

"The New York Post" of Jan 27 raised serious questions about the mysterious death of Clinton's personal legal aide Vincent Foster. His body was found lying next to a Civil War cannon in a Virginia park just across the Potomac river from the Capitol.

Foster was in charge of protecting the First Family from the investigation of the Whitewater scandal. All the papers regarding this problem were locked in his safe. As soon as his death was confirmed another legal aide, Jew Bernard Nussbaum removed the papers and concealed their whereabouts.

Foster Knew All The Secrets of Whitewater-gate

The Post says that White House Deputy Counsel Vincent Foster was a partner with Hillary in the Rose Law Firm. He personally handled the coverup of the Whitewater scandal which now threatens Clinton's Presidency.

Fairfax County paramedic of 13 years, George Gonzalez, was the first rescuer to see Foster's body. He found several strange things about the death scene: *"I found it peculiar. Every extremity of his body was straight, as if it were laid out for the coffin.* A .38-caliber Colt was found neatly cradled in Foster's right hand. Experts say handguns in suicides often are 'catapulted' up to 20 feet away from the body."

Gonzalez also said he was surprised to find so little blood at the death scene of someone who appeared to have put the revolver in his mouth and then pulled the trigger. *"The face was white and pale and only a thin trickle of blood* oozed from one corner of his mouth. Usually a suicide by gunshot is a mess.

Very Little Blood

Kory Ashford, an emergency service technician who helped put Foster into a body bag, said that typically in such cases there would be a bloody *"mess"* under the victim's head. Park Policeman, Kevin Fornshill, the first police officer to see Foster's body, said that everything including Foster's

Vincent Foster - how did he keep gun in hand?

white shirt, *"was really neat with no blood on it."*

The Post reported: **"The apparent contradiction — a scarcity of blood in a death involving a gunshot wound to the head — raised the possibility that Foster may have been killed elsewhere and that his body was dumped in the park, according to homicide experts."**

Several New York homicide investigators told The Post that they were as puzzled by the reported crime scene as Gonzalez. A retired detective told The Post, *"In my 30 years in dealing with homicides, I've never seen someone shoot themselves in the mouth and still hold the gun perfectly at his side."*

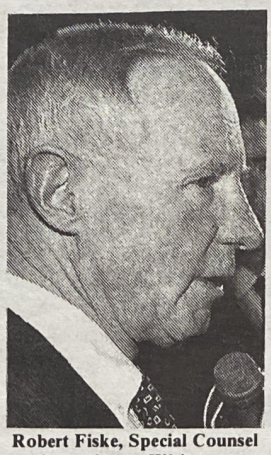
Was Gun Put In Hand?

A prominent forensic pathologist added: "Normally, when a person commits suicide, the gun doesn't end up in their hand. If the individual is gripping the gun, that would lead to thinking that possibly someone put the gun in his hand."

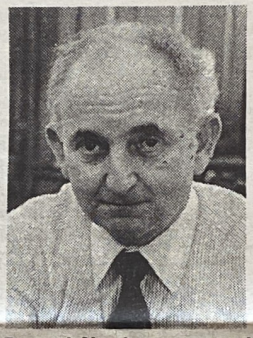
Vernon Gerberth, a retired New York detective who wrote a nationally recognized homicide-investigation book said:

"Under ordinary circumstances, after the firing, the gun is away from the person except in rare instances. It's hard to explain how he shot himself — putting the barrel in at a right angle to his arms — fired it and had it land still in his hand at his side"

Now the big question is whether or not the special counsel, Robert Fiske appointed to investigate Whitewater will examine the mysterious death of Vincent Foster. Could he have been murdered to silence a voice who was about to speak out on the secrets behind Whitewater ?



Robert Fiske, Special Counsel to investigate Whitewater, should also examine strange death of Vincent Foster.



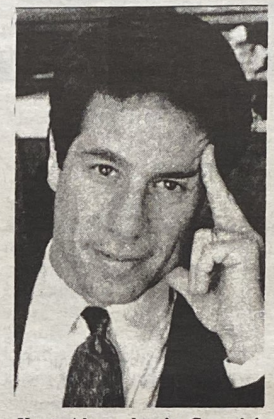
Bernard Nussbaum removed Whitewater files from Foster's safe before the police arrived.

Bob Wilson was odds on favorite to be new D.A.

Georgia's U.S. Attorney Result Of Jew Money Power

How The *"Self Chosen"* Gain Political Power

Sen. Sam Nunn of Georgia recommended to Clinton that he appoint the Jew Kent B. Alexander to the powerful position of U.S. Attorney for the Northern District of Georgia. The surprise nomination was called *"unlikely"* by the lawyers paper *"Fulton County Daily Report"* of Aug. 19,1993.



Kent Alexander is Georgia's first Jewish U.S. Attorney.

Everyone thought that DeKalb County District Attorney Bob Wilson would be named to the post. Wilson is highly experienced while Alexander is a 34 year old novice.

"The Daily Report" said that a *"large network of well placed friends"* were responsible for Alexander's nomination. His father, Miles J. Alexander, calls himself an *"ultra liberal."* He serves on the boards of the Jewish spy organization — The Anti-Defamation League and the American Jewish Committee, an extremist Zionist group.

Jewish Connections

Kent's mother, Elaine Alexander, is also a political left-wing activist from Massachusetts where she attended a mostly Jewish school with Kitty Dukakis (also a Jewess). Elaine campaigned for Michael Dukakis. Also, Kent Alexander's godfather and Miles Alexander's law partner is former Jewish Congressman Elliott Levitas. Levitas is supposed to be a supporter and personal friend of Bob Wilson. Everyone thought he would back Wilson for the U.S. prosecutor's job.

However, with Jews, blood and race are thicker than any *"friendship"* with a Christian. Thus Levitas endorsed the practically unknown Kent Alexander. Jewish community unity behind Alexander was further demonstrated when Atlanta Federal Judge Marvin H. Shoob also recommended him. Shoob's Jewish brother-in-law has recently been convicted of criminal activity involving kick-backs and pay-offs at the corrupt Atlanta Hartsfield Airport.

All of this behind the scene maneuvering to place Kent Alexander in the most powerful legal post in Georgia was orchestrated by the organized Jewish community. Negro Rep. John Lewis, who also supports Alexander, may have inadvertently explained the situation when he stated:

"He comes from a family with an outstanding commitment to their community."

Lewis is referring to the powerful Atlanta Jewish community !

(Below are excerpts from "Fulton County Daily Report.")

To those unfamiliar with the workings of Nunn's inner circle, Alexander, a 34-year-old former assistant U.S. attorney with no political experience, seemed an unlikely choice for Atlanta's chief federal prosecutor. Some state Democratic party insiders expected Nunn to pick former DeKalb County District Attorney Robert E. Wilson, a seasoned politician, a friend of Gov. Zell Miller and an active supporter of President Bill Clinton during the 1992 campaign.

But long before he went to Washington, Alexander was meeting some of the people who would later bring him to Nunn's attention. As the son of Miles J. Alexander, a Kilpatrick & Cody partner, and community activist Elaine Alexander, Kent Alexander was introduced early to the power brokers of Atlanta Democratic politics. Miles Alexander has been Maynard Jackson's counsel for each of his mayoral campaigns and serves on the advisory board of the Anti-Defamation League and the Atlanta Chapter of the American Jewish Committee.

Elaine Alexander is also a former high school classmate of Kitty Dukakis; during the 1988 presidential campaign the Dukakises' children, Lisa and John, stayed in the Alexanders' home.

Miles Alexander says his son earned Nunn's recommendation on his own. "If anybody thinks what Kent obtained here is because of his parents, that's a misconception," he says. "If anything, our ultra-liberal political views might not help with Nunn." Miles Alexander says he has made modest contributions to Nunn's campaigns but does not know the senator personally.

Clinton Appoints Radical NAACP Lawyer

(Continued From Page 1)

explained by the fact that she is a Jew lawyer from Brooklyn. Gorelick worked in the presidential campaigns of Robert Kennedy in 1968 and Michael Dukakis in 1988. She is presently in charge of Clinton's *"Gays in the military"* program.

Note the quote from The Times in which she said that her parents were *"intellectuals"* in Russia. That term to Russian people always means *"Jewish ruling class."* Note that she joined them in both civil rights demonstrations and anti-war protests — no doubt in concert with the U.S. Communist Party.

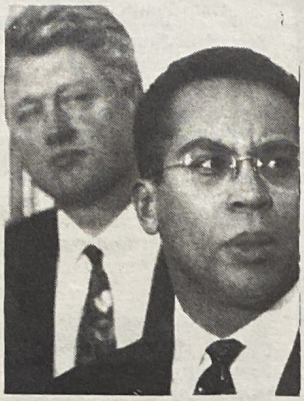
Sen. John McCain charges that Gorelick is *"arrogant and condescending"* in her dealings with the Congress. She sought to push through the nomination of the Jew Morton Halperin as Assistant Secy. of Defense. Conservative Republicans exposed his pro-communist beliefs and the fact that he aided traitors who gave U.S. military secrets to the Vietnamese.

Gorelick insulted many Senators by her constant badgering and demands that they approve the Halperin appointment. He withdrew in January as more people learned of his communist activities. **Gorelick is typical of the Marxists with whom Clinton is filling our government. They present a direct threat to the security of the nation !**

Clinton Nominates Radical Left Wing Negro

The NAACP Legal Defense Fund's top lawyer, Deval Patrick, has been nominated by Clinton to head Civil Rights Division of the Justice Dept. We all remember when Clinton withdrew the nomination of radical NAACP lawyer Lani Guinier for this post. She was half-Jewish and half Negro. One of her positions was that Negro votes should count more than White votes. She said that in certain areas a Negro should have two votes for one for a White. **Remember that Clinton stated that if he had known about Guinier's views he would never have nominated her.**

"Wall Street Journal" writer Clint Bolick says that Deval Patrick is a *"Stealth Guinier."* While he leaves



Clinton names extremist Deval Patrick as "Civil Rights Chief."

no *"paper trail,"* his views are just as radical. Patrick has handled the most important cases for the NAACP. He has received high praise from the Communist Party. During the 1980s, Patrick worked with Ms. Guinier on cases supporting race quotas, forced busing, and minority contract set-asides. Patrick has been one of the leading attorneys in appealing cases to the Supreme Court to have them outlaw the death penalty. The NAACP's 1988 annual report stated:

"For more than two decades, the NAACP's priority in the area of criminal justice has been the elimination of capital punishment."

Biased Against Whites

Patrick concentrated on the case of Negro Warren McClesky who shot a White police officer in the face while robbing a furniture store in **Atlanta, Ga.** Patrick found that blacks who kill White people are more likely to receive the death penalty than blacks who kill fellow blacks. He claimed that: *"This violates the 14th Amendment in that the death penalty treats the races differently."*

Patrick conveniently failed to report the fact that Whites who kill blacks are more likely to receive the death penalty, than if they kill fellow Whites.

Patrick believes that *"unconscious racism"* is evident when equal outcomes do not occur from fair procedures. Thus Patrick fought cases to force the people of Kansas City to pay higher taxes to finance school integration. He argued a case for job quotas

Clinton Names Three Israeli Agents To Security Posts

Israeli Agents Named Top Security Posts

You would think that the President would be security conscious after Israel's spy Pollard infiltrated U.S. Naval Intelligence and now a Soviet spy has headed our CIA section covering Russia.

Thomas Dine has long headed Israel's main covert agency working to subvert our government. It is called the *"American-Israel Public Affairs Committee"* (AIPAC). Now, with little fanfare, Clinton has appointed him to head the "U.S. Program to Aid Russian Institutions." There is no doubt that Dine will use his position for Israel's purposes.

Martin Indyk is another former AIPAC officer. Clinton has appointed him as *"Director of National Security for Middle East Affairs."* This means that an Israeli agent now sits on our National Security Council and is fully informed as to all of our top secret plans for the Middle East.

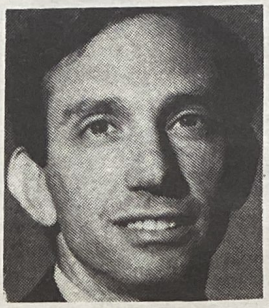
Minority Rule Over U.S. Government

White House Associate Council, Ronald Klain (a Jew) brags that out of Clinton's first 48 appointments as federal judges, 23% were black, (that's nearly half), 35% were women, 6% Hispanic and 36% were *"others."* A very large number of the "women" and "others" were Jews !

There are currently 117 vacancies on the federal bench and these examples typify the radical types he is selecting. Is this not a betrayal of the White Christian majority ? According to Clinton, we are not supposed to have any representation in government at all !

in Washington and New Orleans which would have eliminated the few remaining jobs for White city employees. He has pressed for continued long distance forced busing in cities where such a practice has turned city schools nearly all black.

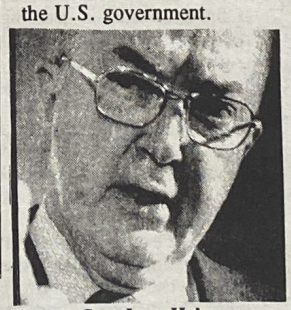
Clinton nominated Patrick as Civil Rights Chief just to appease the NAACP for his withdrawal of *"Quota Queen"* Guinier. This is further evidence that the radical far left is in control of the federal government !



Thomas Dine, long time "AIPAC" head.

Zoe Baird sneaks into office.

Zoe Baird, (remember her?) Clinton nominated this Zionist as U.S. Attorney General. After all, she was both a woman and a Jew ! Baird was forced to withdraw after it became known that she avoided income taxes on illegal aliens working as her servants. Now, quietly, without fanfare, Clinton hired her in a low level security position. This gives the tiny state of Israel ever more control over the U.S. government.



Sen. Jesse Helms

Three Decent Men

Supreme Court nominee, Ruth Ginsburg, the radical Marxist of Russian Jewish descent, was the *"highlight" of my appointments* She was confirmed by a 96 to 3 Senate vote. The three who had the fortitude to stand up to organized Jewry and against Ginsburg were Sen. Jesse Helms of N.C., Sen. Don Nickles of Okla., and Sen. Robert C. Smith of N.H. Thank God for these few brave men !

Clinton Appoints More Jews

Never before in American history have so many Jews been appointed to ruling positions in the federal government. The latest appointment is the Jewess Shirley Wilcher to head the Office of Federal Contract Compliance Programs. (This is to insure that minorities receive *"set-aside"* government contracts even if they don't make the lowest bid or are not qualified to do the job.)

Next is the Jew William B. Gould of Stanford University to be head of the National Labor Relations Board. The Communist Party's *"People's World"* of Feb. 5th stated: *"A tiny band of ultra-conservative Republican senators, using the archaic rules of the Senate, have stalled the confirmation of Mr. Gould for the past six months. Sen. Orrin Hatch said "Prof. Gould's ardent advocacy of radical labor law has no place on this board." It is a disgrace that the Senate is prevented from acting on this important nomination."*

Thus we see Communist Party support for the radical far-left takeover of the U.S. government. To date, an astounding 58% of all Clinton appointments to major positions have been Jews. It should be noted that Jews make up about 3.5% of our population. For a complete listing of the Jews appointed by Clinton, order copies of back issue No. 368.

Dolly Parton Tells Truth Still Must Apologize

Vogue magazine carried an interview with Dolly Parton in its January issue. Dolly was asked why she turned down a role in a TV series about a country singer who turned gospel singer. She replied:

"Most of the people in Hollywood are Jewish and it's frightening for them to promote Christianity."

Abe Foxman, head of the Jewish Anti-Defamation League, said that such an *"outrageous statement is anti-Semitic."* Dolly dutifully rushed Foxman a letter of apology. She spoke the truth — but had to apologize. If anyone doubts that Hollywood is Jewish, just watch the producers and directors who receive all the Academy Awards !

Elizabeth Dole Reveals Books Showing 300,000 To 500,000 Jews Died In Holocaust

Sen. Dole's Wife Releases Holocaust Books

American Red Cross president, Elizabeth Dole, wife of Sen. Bob Dole, has released the books which the Germans kept on the inmates of Auschwitz and the other camps in Poland. Note the story on this page says that the books contain 300,000 to 500,000 names.

Mrs. Dole said that after nearly 50 years they have been able to now reunite 50 family members who thought the others were dead. (How many more died natural deaths after all this time ?) Many others on the lists are today's holocaust survivors.

Remember that the Jew L.P. Beria headed the Soviet KGB at the time and was the first to announce to the world that he had discovered a holocaust. He and Zionist leaders came up with the 6 million figure.

Today Franz Piper has been curator of Auschwitz for the past 26 years. Piper said that the breakdown of the dead is 960,000 Jews, 70,000 to 75,000 Poles, 23,000 Gypsies and 15,000 Russians for a total of 1.1 million. He said the 4 million figure came from a signed confession by the German camp commander Capt. Rudolf Hoess. It was later admitted that he was tortured by British military police before he signed the confession which was shoved in front of him. Later they hanged Hoess so that he could not retract his *"forced confession."*

Three years ago the Pope and other leaders prayed before the monument at the camp stating that 4 million Jews had died there. This inscription has today been removed. There is no wording in its place. They do not want to admit to the

Elizabeth Dole holds German record books discovered in Soviet archives which show true camp statistics.

Students Who Laughed At Holocaust Scolded

Oakland, Cal. schools sent students to attend a free showing of *"Schindler's List."* During the show many began to laugh out loud in disbelief over some of the ridiculous holocaust scenes. Jews sitting in the theater were outraged and had the manager throw out 69 students.

Sidney Sheinberg contacted Gov. Pete Wilson's office and demanded that the state do something about the problem of students not showing *"proper respect"* for the holocaust. Spielberg said that more "holocaust education" programs were needed before students saw the movie. He also offered to pay for 16,000 California students to see Schindler's List if the theaters would let them in for $1 each. That comes to $16,000 for the multi-millionaire Spielberg. (A drop in the bucket) This just goes to prove that in the end his wallet is more important than even his holocaust !

"Holocaust Education" Is Brainwashing

Demands Holocaust Studies In All Schools

Oakland city councilwoman Mary Moore, a Jew, who is related to holocaust survivors said: *"I heard of a White non-Jewish girl who found Schindler's List boring. This is a case of zero comprehension. The tragic failure to teach this piece of history is a failure on the part of the educational system nationwide."*

Goethe - World's Greatest Writer

"Schindler's List" Slander Aimed At Johann Goethe

Amon Goeth is the name of the fictional evil camp commandant in "Schindler's List." He shoots innocent people for sport and gleefully sends others off to be gassed.

Johann Goethe is described in the World Book Encyclopedia as:

"Germany's most famous writer. He is considered one of the greatest literary geniuses in the history of the world. His works have universal appeal. His Faust is the greatest German drama. It is quoted everywhere. When Napoleon met Goethe in 1806, he said, "Behold a man !"

Johann Goethe, victim of anti-German hate.

Goethe Institutes exist all over the world to promote cultural and literary achievement. Of the hundreds of thousands of names the Jews could have chosen for "the murderous camp chief," they just happened to come up with "Goeth" - leaving off the "e" but everyone knows the hateful affront which is intended. If we ever needed additional proof of the viciousness of the Jews' hatred for the German people — this is it !

Laughing Called Anti-Semitic

(Below from "Gazette Telegraph" 1/23/94)

School officials are seeking ways to turn the embarrassing episode into a lesson by having the students meet actual concentration camp survivors and focus on learning about the Holocaust. The Anti-Defamation League and the East Bay Jewish Community Relations Council have scheduled a meeting Monday with the school's principal to discuss a new curriculum around the movie and Holocaust education in general.

Theater managers say the trouble started early in the three-hour show.

The problem escalated about an hour into the movie, when Spielberg depicts the beginnings of a concentration camp, Brown said. When an intelligent, gentle Jewish woman suggests to a Nazi guard that the foundation of a building is unsafe, she is shot in the head without remorse. That scene led to an outbreak of laughter from about 20 students, Brown and Michaan said.

Shortly after, about 30 patrons, some of whom had lost relatives in the Holocaust, complained to management. Michaan had the projector shut off and told Castlemont students to go to the lobby, meet their teachers there and leave. About half of the 450 other people attending the show applauded the action, Brown and Michaan said.

"We witnessed the rowdy, offensive and anti-Semitic behavior, and we are writing to thank you for removing those loud troublemakers before the rest of the audience had to take matters in its own hands," said one letter Michaan said he received after the incident.

More On Film Flap

"A group of youngsters who saw 'Schindler's List' in [Oakland] California giggled throughout," related Abraham Foxman, adding that apparently some study of the Holocaust is necessary before seeing the movie. Foxman said he plans to ask producer-director Steven Spielberg to make "Schindler's List" available to all teenagers for $1 because of its educational benefits.

U.S. POW's Honor German Camp Head

THE DAILY TELEGRAPH. MONDAY, JANUARY 28, 1991

Honour given to German PoW camps' chief

SIR—Americans outraged by Iraqi mistreatment of their airmen would doubtless be surprised to read the English-language plaque on the grave of the German responsible for the 1939-1945 War PoW camps: "In grateful memory of Gottlob Berger, General of Waffen-SS, who protected and cared for US Air Force prisoners of war during World War II".

The plaque was provided by Maj-Gen Delmar T. Spivey, USAF, following a meeting in Detroit 20 years after the war, when a reunion of former PoWs resolved to "recognise the humanity of Gen Berger and thank him for the protection and care he gave prisoners of war". They awarded him a testimonial scroll using these words, and signed by two American generals. GORDON LANG

Clinton Praises Film

Thomas Pollock, chairman of the MCA Motion Picture Group, was quoted as saying: "I feel like Sam Goldwyn who said: 'This is such an important film, I don't care if we make any money so long as every man, woman and child in the country see it.'"

The reservations may prove to be groundless. At a White House Press conference a few days ago, President Clinton, who had a private screening, urged Americans to see the film, which he thought was brilliant.

Jews Lower Figure To 3 Million

(Below from "London Daily Telegraph" 1/22/94)

By Krzysztof Leski and Ohad Gozani
LONDON DAILY TELEGRAPH

LONDON — Poland has cut its estimate of the number of people killed by the Nazis in the Auschwitz death camp from 4 million to just over 1 million.

The vast majority of the dead are now accepted to have been Jews, despite claims by the former Polish communist government that as many Poles perished in Hitler's largest concentration camp.

The new study could rekindle the controversy over the scale of Hitler's "final solution."

Shevach Weiss, a death camp survivor and Labor Party member of the Israeli Parliament, expressed disbelief at the revised estimates, saying: "It sounds shocking and strange."

But other Israeli experts said evidence to support the lower estimate had been mounting for some time.

Franciszek Piper, director of the historical committee of the Auschwitz-Birkenau museum, said yesterday that, according to recent research, at least 1.3 million people were deported to the camp, of whom about 223,000 survived.

The 1.1 million victims included 960,000 Jews, between 70,000 and 75,000 Poles, nearly all of the 23,000 gypsies sent to the camp and 15,000 Soviet prisoners of war.

Shmuel Krakowsky, head of research at Israel's Yad Vashem memorial for Jewish victims of the Holocaust, said the new Polish figures were correct.

"The 4 million figure was let slip by Capt. Rudolf Hoess, the death camp's Nazi commander. Some have bought it, but it was exaggerated."

The latest Polish research is based on studies of prisoners' personal numbers, transport documents and data about Jewish ghettoes.

Plaques commemorating the deaths of 4 million victims were removed from the Auschwitz museum earlier this month. But the Polish authorities said accurate estimates of the number killed could only be made by studying German documents seized by the Soviet Union. But Moscow has refused to return the archives.

Jews Demand Black Leaders Ostracize Farrakhan

Attack On Farrakhan

Kean College in Union, New Jersey paid $2,650 to Nation of Islam spokesman Khalid Muhammad to speak to the students. While he has been attacked by many liberals for this talk much of what he said was true. This included the following:

"*Jews are the bloodsuckers of the black nation. . . Jews own the Federal Reserve Bank and control the White House from behind the scenes. . . They have names like Rubenstein, Goldstein and Silverstein because they have been stealing rubies, gold and silver all over the earth. The Jews brought the holocaust upon themselves because they had undermined the very fabric of German society.*"

Jews have been accused time and again of being slumlords (including in Atlanta) and over-charging blacks for rent. The Jews have headed the Federal Reserve Bank for many years. Currently the Jew Alan Greenspan is its head and his predecessor for many years was the Jew Arthur Burns. Jews hold a monopoly over precious metals. The Oppenheimer-Rothschild families control The De Beers gold and diamond syndicate world-wide. They determine the distribution and price. Thus Muhammad was speaking the truth on these subjects.

Jews Demand Blacks Disavow Muhammad

Jesse Jackson and other black leaders urged Louis Farrakhan to hold a press conference and apologize to the Jews. On Jan. 25 Farrakhan met the press and said that some of the things Muhammad said were wrong, but he would not disavow that which was truthful. Then he added:

"*We know that the members of the Jewish community are the most organized, rich and powerful, not only in America, but in the world. They don't want a Farrakhan to do what he's doing. They're plotting as we speak.*"

Refuses to "Grovel"

When asked to apologize to the Jews, Farrakhan replied:

"*There will be no apology to a people who are unforgiving and arrogant. They like to look at themselves as powerless and as victims but they can't play that role with me because I know the Jews have power. And whenever somebody threatens them, they use that power.*

"If I did apologize do you know what some Jews would tell me ? 'Too little, too late.' Jesse Jackson is still apologizing. He'll never get finished. . . I'm no dog.

"*Jews have a hell of a nerve asking me to apologize for telling the truth. They want everybody to bow down to them and I ain't bowing down to nothing or nobody but God. Some Jews are the most unforgiving people if anyone offends them. Who do they think they are that I should beg for forgiveness when they helped to bring my people into slavery and I have never heard a Rabbi or Jewish organization apologize to me and my people.*

If telling the truth is an act against the Jews, then I'm guilty of being an anti-Semite and I'll stay guilty telling the truth. What have I done ? Who have I killed ? I warn you, be careful, be careful. You're putting yourselves in dangerous shoes. You Jews had your day with God, and you didn't do what you were supposed to. You have been the killer of all the prophets. Now, if you seek my life, you only show that you are no better than your fathers."

(Note: Often the Jewish Defense League will picket Farrakhan meetings chanting - **"Death To Farrakhan.")**

Louis Farrakhan with *"Nation of Islam"* guards speaks beneath huge picture of their founder Elija Muhammad.

Farrakhan Is Right

The slogan of the Jewish religion is *"Never Forgive — Never Forget."* Whenever the Germans tell the Jews that they are sorry about how they were treated, the Jews always respond with the insolent reply - *"only the dead can forgive and they are not here to forgive you."*

That is a most hateful and vindicative reply. In 1985 Farrakhan referred to Judaism as a *"gutter religion"* and a study of their anti-Christian book "The Talmud" certainly justifies this. **(Note:** for a quick study of Judaism's basic teachings read our Truth Tract No. 4, *"Judaism - The World's Strangest Religion."*)

Rev. Jesse Jackson has been trying to *"make up"* to the Jews for remarks he made years ago. They refuse to forgive him !

Jesse Jackson in 1984 referred to New York City as *"Hymietown."* He has been apologizing to the Jews ever since and they still have not forgiven him. The suspicion that Jackson is anti-Semitic is the only reason why Jews oppose making Washington, D.C. a state. They know that this would give Jackson a lifetime U.S. Senate seat from which he might express his true feelings about the Jews. Polls show that Farrakhan is the second most popular Negro in America after Jesse Jackson.

In 1972 Farrakhan said that the Jews control the mass media. **In 1984** he said: "*Israel will never have peace because there can be no peace structure based on injustice, lying and deceit and using the name of God to shield your dirty religion under his holy and righteous name.*

In 1991 Farrakhan published a 334 page book entitled "*The Secret Relationship Between Blacks and Jews.*" This is a scholarly work with over 1,000 footnotes proving that the Jews were behind the slave trade, with Aaron Lopes of Newport, Rhode Island being the largest slave trader. We hope to have this book on our list soon. In the meantime we have a large tract entitled ***"ROOTS,"*** which lists the Jews who controlled the salve trade. **("Roots"** is only 50 cents per copy.)

The Good Work Of The Nation of Islam

Rev. Louis Farrakhan's members wear suits and bow ties. They work within the black community patrolling streets to stop black crime. They make "citizens arrests" when they apprehend criminals. They strongly oppose the use of drugs and the neighborhoods in which they work have all shown a sharp drop in crime.

Farrakhan Warns Blacks

"I am not anti-Semitic when I speak the truth to the Jews but I speak the same harsh truths about my own people and our own wickedness against ourselves. But I'm not anti-black. Look, my people are dying in the streets of America. They're not dying from Skinheads. They are dying from their ignorance and self-hatred that has us destroying one another. We can't blame the Jews. We can't blame Koreans or Vietnamese who take money out of our community. We have to blame ourselves. We've been offered the chance to go to the best schools to get an education, but we have not used that education to provide the goods and education that our own communities need !"

Louis Farrakhan's group has brought law and order to the Black neighborhoods they patrol.

Gambling Part Of Decadence

Gambling Sweeps America What Are The Results ?

Gambling is legalized in one form or other in all states except Hawaii and Utah. Some 37 states have lotteries and 6 have river boat gambling with 8 others about to adopt it. A few years ago a Gallup Poll found that a majority believe gambling to be immoral. Today only one-third feel that way.

Today 54% have purchased lottery tickets and 25% say it is now a weekly habit. Massachusetts runs anti-business adds declaring: *"If you win think what you could say to your boss !"*

In Holland, 400 people enrolled in the "Gambling Addiction Center" in 1986 after one year of legalized gambling. By 1992 the number had risen to over 6,000. The gambling message is that chance or luck will make you successful, rather than hard work.

All studies show that the poor are more likely to gamble be they Black or White. Thus they are paying a very heavy tax to the state. Gambling took in $300 billion last year as the average family gross income continued to fall. (It has not risen since 1971.) Combine this with the problems of drugs and crime and the spreading decay of the nation portends a dark future for our children !

ADL Resumes Spy Operations In Georgia

ADL Beats *"The Rap"* — Back To Spying As Usual

The Jewish Spy outfit known as the *"Anti-Defamation League"* has settled its case with the San Francisco District Attorney. The "punishment" was a mere slap on the wrist for the powerful Jewish spy group which has an annual budget of $31 million. They agreed to pay $75,000 for educational work and "hate crimes" rewards. More important, the ADL agreed to a permanent injunction against using the police for spy purposes — in order to avoid the prosecution of ADL officials and their top spy Roy Bullock. **The ADL has already violated this injunction in Georgia !**

On Nov. 15 the ADL signed the agreement to stop using the police for spy purposes. Exactly one month to the day, Dec. 15, they had the police spying for them again in Georgia !

Cobb County Police Head Works With ADL Chief

The San Francisco investigation into illegal ADL spy activities revealed that a number of police officials scattered throughout the nation were involved. All of these individuals were *"paid off"* with all-expense paid vacations to Israel with first class accommodations where they were wined and dined.

Cobb County, Georgia police head Bob Hightower was one of these individuals who traveled to Israel in March, 1989. Hightower has long supplied Stu Lewengrub, head of the ADL's Southeastern office, with information. The ADL has also given Hightower money to finance this work according to one police officer. *"The Atlanta Jewish Times"* of March, 31, 1989 says that Lewengrub "selected" Hightower for the free vacation *"for cooperation with the ADL."* **The Washington Post** of Oct. 19, 1993 wrote: *"Investigators have questioned police, including some in the Washington region, about free ADL-sponsored trips to Israel and whether they were used as favors to cooperative police officers."*

Cobb County Police Chief On ADL Security Mission To Israel

Bob Hightower, Cobb County Georgia Director of Public Safety.

by Ellen Bernstein
Staff writer

Eleven police chiefs and sheriffs from major U.S. cities visited Israel earlier this month on the third Anti-Defamation League mission to Israel.

Robert Hightower, director of public safety for Cobb County, was the only Atlanta area official selected for the March 5 - 14 mission.

All the officials were selected for their cooperation with ADL on the investigation of anti-Semitic vandalism, extremist activities and hate crimes, said Richard Hirschhaut, San Francisco regional ADL director and coordinator of the mission.

Hightower was the recommendation of Stuart Lewengrub, director of the southeast regional ADL office. Lewengrub worked with Hightower when the police official worked in the intelligence unit of the Georgia Bureau of Investigation.

The purpose of the 10-day mission was to exchange information between U.S. law enforcement officials and the Israeli national police

On Jan. 15, right-wing groups held a rally on the steps of the Forsyth County courthouse protesting against the M.L. King holiday. One of Hightower's agents had traveled outside Cobb County to attend this rally. There is no doubt that the cost was picked up by the ADL — **YES, it's back to spying — as usual !**

Tom Gerard still faces trial for stealing police files for ADL.

Spy Case Background

Court evidence revealed that the ADL has been spying on 10,000 Americans and over 500 organizations. They include such diverse groups as the NAACP, The American Indian Movement, The Palestine Aid Society, The Arab-American Anti-Discrimination Committee, the ACLU, to right-wing groups such as the Liberty Lobby and the Ku Klux Klan.

The ADL uses a network of spies such as the notorious Roy Bullock who joined both right and left groups for spy purposes. Bullock was paid off in an underhanded and illegal method.

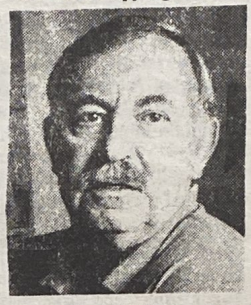
Los Angeles ADL head, David Lehrer maintained a secret bank account for Bullock's expenses under the name "L. Patterson." From there, the money was given to Beverly Hills attorney Bruce I. Hochman who paid Bullock $550 per week in cash (plus expenses). They illegally failed to withhold taxes. Since July, 1985 Hochman has funneled $169,375 to Bullock. To try and gain sympathy in San Francisco, Bullock publicly announced that he was a homosexual ! The ADL maintains full time spies with such code names as *"Flipper"* in Atlanta, *"Ironsides"* in St. Louis, *"Scumbag"* in San Diego and three spies in Chicago code named *"Chi-1", "Chi-2" and "Chi-3.*

ADL Defended

Chicago ADL chairman Harold Gershowitz attacked the media for even reporting this news. He wrote:

"This sorry matter, by certain elements of the media, created sensational and irresponsible reporting. This attack on the ADL is shameful. That any reasonable man or woman would believe such falsehoods is a sad commentary on their gullibility."

Abe Foxman, national chairman of ADL spy organization.



Roy Bullock, ADL spy since 1985, was paid $169,375.

Stu Lewengrub, heads southeastern office of ADL.

Atlanta's Elmo Ellis, (real name Elmo Israel), a retired WSB-Radio broadcaster and now a columnist, wrote:

"Perhaps the people of San Francisco need to do some investigating of their own to find out who's behind this effort to vilify and discredit one of the country's premier protectors of civil rights."

Victims Speak Out Against Settlement

Pete McCloskey, former Republican Congressman, said:

"It's disappointing because it raises again the question of whether people with political clout can get more favored treatment than ordinary citizens."

Former Rep. Pete McCloskey will continue his suit against ADL.

James Zogby, president of the Arab-American Institute, said: *"This is a political compromise which betrays the hopes of a lot of people who have been the victims."*

Christine Totah, San Francisco Arab-American leader, said: *"The settlement made a mockery of the justice system. If this were an Arab organization they would have been tried, prosecuted and hung."*

Atty. John Crew, of the ACLU, said: *"There were 16 clear ADL violations of the law which the D.A. ignored. The normal procedure when the D.A. expects to settle such a case is to make contact with the victims.* **Why not in this case ?"**

Anti-ADL Fight Not Over

Two suits have been filed against the ADL over their illegal spying . One is by former Rep. Pete McCloskey and the other by Arab-American groups. Their legal moves for discovery will bring new revelations about the ADL during 1994.

Supreme Court Ruling Threatens Peaceful Protest

Pro-abortion forces have won a unanimous decision from the Supreme Court that Christians who picket abortion mills can be sued under the draconian RICO Act. Passed by the Congress in 1970 to allow racketeers to be sued for triple damages, it has now been expanded to people who can in no way be defined as *"criminals."*

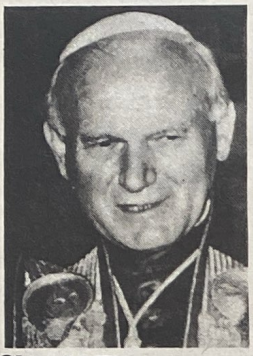
The anti-abortionists argued that RICO should not apply to any case where there is no "profit motive."

Attorney Helen Neuborne, the Jewish lawyer for NOW said: "We will now sue these people as terrorists."

The Congress has rejected numerous bills to either repeal RICO or narrow its scope to real criminals.

Pope Smeared For Not Protesting Holocaust

(Below from "Atlanta Jewish Times")



Should The Pope Repent?

Columnist James Carroll of the **Boston Globe** recently urged Pope John Paul II to repent for the Vatican's alleged failure to protest the Holocaust. But two high officials in the Catholic hierarchy believe it is Mr. Carroll, a former Catholic priest, who should repent.

Sneak Attacks On Christianity

Pope Pius XII headed the Catholic Church during World War II. The Church is considering canonizing him as a Saint. Jewish organizations have objected (as if it were any of their business) because they say: *"He failed to speak out against the holocaust."*

Of course, the reason that he *"didn't speak out"* is because there never was any holocaust in the first place. Why don't the Jews complain about the fact that neither Roosevelt nor Churchill ever *"spoke out in protest."* Neither did the powerful Jews inside Roosevelt's administration such as Baruch, Lehman, Frankfurter and Roseman.

Franklin D. Roosevelt-he never mentioned any holocaust.

All wrote extensively about their experiences in government during WW II but none ever mentioned any so-called holocaust. The reason is that none of them ever heard about this non-event !

Please Show Us A Real Gas Chamber!

The Soviet Rebuilt Gas Chamber

Here is a picture of the alleged gas chamber in which millions of Jews died in Auschwitz. Study the chimney and the heavy iron door. Now look at the photo of the same building taken immediately after the liberation of the camp. There is no chimney and you can see that it has a rough log door which could never be sealed.

When pinned down about this, Franz Piper, the custodian of the Auschwitz museum for the past 26 years, said on video that this is actually a model which the Soviet KGB built for the tourist trade. If you walk around in back of the building, you can see that the ominous looking chimney is not even attached to the building. It sits alone — all by itself ! The truth of the matter is that they cannot show you any actual workable gas chamber. They only have **"rebuilt gas chambers."**

The "gas chamber" at Auschwitz where millions of Jews were allegedly gassed. Note the heavy iron door and chimney.

Here is the very same building in a photo taken after its liberation. Note the log wood door and no chimney.

Below Is The Real Reason For All This Holocaust Propaganda!

THE TRUE COST OF AID TO ISRAEL

U.S. Grants and Credits to Israel Will Exceed $6 Billion in 1994

Why the inordinate haste by Clinton administration officials and by both houses of Congress to assure Israel that, regardless of the law, it would be taking no cuts? And why does Rabin keep coming back to Washington for more of these assurances?

The answer is that Israel received in 1993 $6.3 billion in U.S. taxpayer grants and credits, as documented in the accompanying chart. This is a much higher total than ever has been announced from the floor of either house of Congress, and a higher figure than ever has appeared in the mainstream American press, which usually reports only that Israel receives "in excess of $3 billion" in annual U.S. aid. Given the unwillingness of anyone in the Clinton administration to admit how much went to Israel in 1993, it is understandable that the Israelis keep seeking reassurance that this same astronomical sum will be made available to them again in 1994.

Among the 1993 items made available to Israel but not included in the FY '93 budget were $700 million for the "drawdown of U.S. weapons in Europe for transfer to Israel, creation of a $300 million U.S. weapons stockpile in Israel," and the transfer by the U.S. government of fuel oil and fuel tanks valued at $180 million for creation of a petroleum reserve in Israel.

The manner in which these items put real U.S. aid to Israel well past the $6 billion mark is tabulated in the chart below.

In FY 1994, the outlines, if not all of the details, already are clear. In accordance with the "earmarks," Israel will receive $3 billion in direct foreign aid. Israel's loan guarantees will be reduced from $2 billion to $1.563 billion, but $500 million will be added to Israeli military aid to cover redeployment costs. Many other items were approved by Congress in a last-minute scramble by individual members to get credit with Israel's powerful U.S. lobby in an election year.

U.S. Grants to Israel in FY 1993

	(in billions)
From FY '93 foreign aid budget	$3.000
From other parts of FY '93 budget or off budget	1.271
Total 1993 grants	**$4.271**
Interest paid by U.S. on money borrowed for 1993 grants to Israel (paid during first month of fiscal year rather than on a quarterly basis as with all other foreign aid recipients)	.050
U.S. loan guarantees for Israel for FY 1993	2.000
Total 1993 grants, interest, and loan guarantees	**$6.321**

Double Dipping for Refugee Aid

Among them are $80 million for Israel to absorb refugees from Ethiopia and the former Soviet Union (which, incidently, was the original rationale for the annual $2 billion in loan guarantees to Israel), Pentagon funding for the joint U.S.-Israel Arrow anti-ballistic missile, the joint U.S.-Israel Short Range Unmanned Aerial Vehicle (UAV), an Israeli Night Targeting System for Cobra helicopters, and other Israeli military research and development and military production programs.

In addition to such add-ons for Israel in the Defense Department budget, as additional items turn up in the budgets of other U.S. government departments and agencies it is clear that President Clinton's vow that there will be no reduction in U.S. aid to Israel in 1994 is being kept. In fact, it is possible that total assistance to Israel in FY 1994 may actually exceed the $6.321 Israel was provided in U.S. taxpayer grants and credits for the 1993 fiscal year.

Let's Herald The Truth To The World

At the end of World War II there was very little talk about any mass extermination of Jews. However, has time passed the Zionists and Communists concocted this fantastic story. While not one school child can tell you how many American soldiers died in World War II they all can tell you how many Jews died ! **Why Is this ?**

One would think that with the passage of time that the drum-beating of the holocaust story would begin to diminish. The exact opposite is the case. The alleged holocaust is in the news every week with more and more movies on this worn out subject — **WHY ?**

Organized Jewry has become so brazen that they now claim all Gentiles are in part guilty of the holocaust by their complacency. Even Christianity is cited as a cause ! Why didn't we do more to save the Jews? They are building more holocaust museums, memorials and holding public mourning ceremonies. They claim that America is *"The Land of Holocaust Memorials."* Also, that the holocaust is the preeminent event of the war — more so than the "D-Day" landings at Normandy, the Battle of Stalingrad, etc.

Could there be an ulterior motive behind all of this irrational propaganda ? Israel is demanding ever more foreign aid despite the fact that they enjoy an average standard of living higher than we Americans.

Do you agree that enough is enough ? The only way to stop this exploitation of the American people is to expose the holocaust for the fraud which it is. THE TRUTH IS THAT NOT ONE JEW WAS EVER GASSED — THE ENTIRE STORY IS "THE BIGGEST HOAX OF THE CENTURY !"

REMEMBER — April 8th Is *"Holocaust Day"*
Order Our *"Holocaust Special"* Issue No. 360

This is the four page mass distribution holocaust expose which rocked the nation last year. Over 400,000 copies are now in circulation. This quotes Jewish experts who say that the "6 million" figure is too high. Here are the findings of scientists who have examined the camps in Poland and have not been able to find a real gas chamber. Here are the findings of three such experts. Also, David Irving's search of German records has yet to find one order for any extermination plan. After the war 3,385,000 Jews signed up as holocaust survivors for reparations. This alone proves that the holocaust figures are impossible. **It's all here in this special *"throw away"* issue.**

Canada Bans Another Book

Canada Has Banned Sir Oswald Mosley's Book *"TOMORROW WE LIVE"*

Robert Row, first joined Sir. Oswald Mosley's *"British Union Movement"* on July 3, 1934. In Nov.

Robert Row

1953 Row became an editor of Mosley's publication *"ACTION"* until it merged with *"COMRADE"* in 1992. Upon learning that the Canadian government had banned one of Mosley's greatest books, Robert Row wrote the following:

"The Canadian government's ban of *"TOMORROW WE LIVE"* points to Zionist activities at work since no one else in Canada would want Mosley's book banned, especially when it was published 57 years ago.

"Since it was not banned in 1937 when it was written — why now ? No other country in the world has banned this book. What are they afraid of ? The squalid government of Canada has acted illegally. They signed the Universal Declaration of Human Rights after WW II which pledges to preserve *"freedom of speech"* and *"freedom of expression"*. Now we have Canada suppressing that freedom !

"Remember, books which are banned become dangerous for the government which bans them. Banning a book increases its effect. People want to know why. The demand to read the book increases !"
